World Day of Prayer for Priests – June 24

Catholics worldwide are urged to pray for Priests on the World Day of Prayer for Priests. The day was begun by Saint John Paul II in 2002 with the objective of having all Catholic faithful join in prayer for the sanctification of Priests. It coincides with the Feast of the Sacred Heart of Jesus.

Prayer for Vocations

Jesus has given us His Body to eat and His Blood to drink to nourish us on our journey towards the Kingdom. May we be faithful to him on our journey as a married, single, ordained or consecrated person. If God is calling you to be a priest, religious or deacon, contact Bishop Wayne Lobsinger, Director of Vocations and Priestly Formation, Diocese of Hamilton (905-528-7988).

Sacristans Needed for St. Joseph Church

Join a team of volunteers who assist the priest by setting up the sacristy and altar with the necessary items in preparation for the celebration of Mass. This is a very rewarding ministry to serve the Lord and the Church. If interested, please call the Parish Office.

Vincentian Meditation

Jesus was not only compassionate with his heart, but he was compassionate also with his hands, and he willed that the compassion should reach the people until the end of time. There are millions who watch pictures of poverty on our television screens and feel generous towards the poor. Their reaction, so often goes no further than feeling. Vincentians, however, imitate Jesus in that they are not content to feel generous, they show their generosity by being a sign of God's love, a sign of God's generosity, and a sign of God's service, of his service in a special way to the poor. The most unfortunate people in society are those who have not had the experience of being loved. Before loving others, we must come to the realization that we are at every moment of our lives being loved by God. (McCullen, Deep Down Things, p. 669)

How have you experienced God's love, God's generosity and God's service?

The World Meeting of Families in Rome, Italy, will take place in June of 2022. This international event is designed to be significant to people of all ages at all stages of life. Every keynote address and workshop will be based on Pope Francis' *Amoris Laetitia*, or *The Joy of Love*.

The purpose of the WMF is to place families at the center of pastoral attention, which is reflected in this year's theme, "Family Love: Vocation and Path to Holiness." In the hope of engaging as many families as possible the events will be live streamed and recorded to allow for local celebrations, be it in homes, or parishes.

Pope Francis is inviting every Catholic family to take part in this important ecclesial moment and, for those who can, he looks forward to joining them virtually via live streaming of the WMF event from Rome.

The WMF is part of the current synodal journey of the Church and can prove to be a valuable experience of the "participation, communion and mission" of families in the life of the Church. [Family Ministry](#)

Parenting Tip of the Month - Parenting Tip 141

Summer days are upon us, a perfect time to unwind a little and spend some quality time as a family. Playing outdoor and indoor games, walking in nature, having water balloon fights and taking time to thank God for our many blessings are all ways to build relationships with each other. Children need to be well connected to their family in order to feel safe, secure and important. Time together is the best way to build these significant bonds. Family Ministry Office.

Marriage Tip of the Month - Marriage Tip 121

Finances are one of the major issues that cause angst in couple relationships, but you can take control of the situation to prevent problems. Sit down at least once a month and look in detail over your expenses, income and upcoming obligations; do a short weekly check-in. Each person should know exactly how much money there is for "free" spending and how much is needed for financial obligations. Discussing your priorities, compromising on expenditures when necessary and living by the motto that you will spend less in a month than you take in, can prevent stress that impacts the love you feel for each other. Family Ministry Office.
